City of Mesquite Announces Changes to Community COVID-19 Testing

Mesquite, NV (June 10, 2020) — Community COVID-19 virus testing operated by the City of Mesquite and its partners will be reducing operating times. Beginning June 16th COVID-19 testing will only be offered Tuesday of each week. Appointments are still required, and it is important to schedule your test ahead of time by calling 702-625-3213. Leave a message if there is no answer and you will receive a call back as soon as possible to complete the scheduling.

COVID-19 testing will now be done at Mesquite Fire Station 1 behind City Hall. The entrance will be off of First South near Willow Street. Please follow the signage and directions of the staff to help the testing process flow smoothly.

If you are experiencing COVID symptoms, seek testing immediately. Calling your normal physician is a great start, as they will give direction and can call ahead orders to speed up the process. Mesa View Regional Hospital can administer COVID-19 virus tests with physicians' orders or by an order obtained through their clinic. Their emergency room is always open and should be utilized if you are severely sick. MRVH does have the ability to do Coronavirus Antibody Testing if a physician has ordered it.

If you need to be tested sooner than you can be accommodated in Mesquite, there are other options for COVID-19 testing available in St. George or Las Vegas. Both communities have various testing sites open daily, and information on those testing locations can be found online.

We are hopeful that these changes are moving us into more normal phases and as always we will adapt to the needs of the community.

For more information about the City of Mesquite, find us on Facebook or Twitter at *GoMesquiteNV* or visit City Hall at 10 E. Mesquite Blvd. City Hall is open Monday through Friday.
